

# GLXS 2014

## Global Level Crossing

Safety & Trespass Prevention Symposium

*August 3 to 8, 2014*

University of Illinois at Urbana-Champaign

**Achieving the “Three E’s” of  
Engineering, Education & Enforcement  
and Moving Beyond to  
Evaluation, Encouragement & Emergency Response**

GLXS 2014 is a biennial event bringing together engineering, safety and security professionals from highway, rail, law enforcement and regulatory authorities around the world. It provides an opportunity to exchange information and share best practices to improve the safety of the at-grade interface between highway and rail systems.
